Does anyone really still believe that methods such as 'buy and hold' investing will protect them from risk? In "Payback Time", Phil Town - author of "New York Times" bestseller "Rule Number 1" - demonstrates the investment tactics that will enable you to ensure a safe and profitable financial future for yourself. Calling on time-proven strategies used by the world's best investors, he shows how you can reverse your nest egg's downward direction by purchasing the stock of solid companies at windfall prices - prices that can only head in one direction: up! This simple method will help you to achieve 15 per cent or better annual returns, with the least amount of risk. The time has never been better for making money in the stock market - if you know how.
