Be Free From Your Overeating Disorder You have just discovered a proven step-by-step systematic approach that will break you free from food addiction, binge eating and emotional eating. You most likely have heard that eating disorders and obesity are linked to each other. If you are struggling with an overeating disorder or are already obese because of one this book can change your life. Having an eating disorder can make you feel like an invisible force is controlling your every move. Even though we know better one bowl of ice cream leads to us binge eating the whole pail. That one piece of brownie becomes the whole pan. If we so badly want to control ourselves then what keeps pushing us further away from doing just that. The more we resist overeating the worse it seems to get. Your overeating doesn't come down to poor nutritional knowledge, lack of willpower or some personality defect. You are not broken and do not need fixing. This isn't your fault so you can relieve yourself of feeling hopeless and depressed. The problem...
